

Tiffney Stroh nominated for SA Award

SA based Tiffney Stroh has received an accolade of a different kind to add to her mantelpiece at the SA Works in the Region ‘Recognition of Achievement’ Awards. Held recently at the Hyatt Regency Hotel in Adelaide, Tiffney was among 13 Awardees for the ‘Individual Achievement by a Participant’

Nominated by Samantha & Linda of Employment Options Mt Barker, Tiffney was recognised for her continual hard work and achievements. Not only does she travel all over Australia in her quest for a career in the Country Music Genre but she also undertook to study Years 11 & 12 as part of the Youth Pathways Program run by Employment Options.

A spokesperson for Employment Options stated that ‘Tiffney was a worthy recipient of the nomination. Not only has she excelled in her chosen career path but this year has seen her gain education status way beyond the expectations of the Youth Pathways Program.’ Tiffney is planning to continue onto further study through the program in 2009.

With her sights firmly set on her goals, the lead up to the Tamworth Music Festival in January will be a busy time for Tiffney with many performances in Adelaide and surrounds.
